NURTURING BEGINNINGS

One on One Perinatal, Parenting, and Cultural Support

REGISTRATION ONGOING

Tawaw Early Intervention *is proud to introduce* ***One-on-One Perinatal, Parenting, and Cultural Support.***

This program supports Indigenous caregivers who are pregnant or have a child from birth to 13 months. Through personalized support during pregnancy and the postpartum period, caregivers can build confidence in early bonding, infant development, caregiving routines, emotional regulation, safety, and responsive caregiving. The program honors cultural teachings, family values, and parenting practices that strengthen caregiver–child relationships and support healthy early development.

Pre-registration is required.
